Going to head to DC tomorrow solo. Gotta be honest, I'm not a big guy. Pretty weak. Kinda nervous. Their scare/violence campaign the last year almost got me to cancel, but.... have to go. Best president ever, best country ever, deserves our attendance - no matter what happens.

90 Im a little dude too 5"8 130lbs but I just don't give a shit anymore. You can't wait till the beefy dudes get gulaged to start your fight you gotta do it when they're still free. You don't want your Spartans to have to go out there alone, we need em and they need us

60 Yes and it's not the size of the dog in the fight, but the size of the fight in the dog. Believe in yourself or your cause and if it comes to blows make the other motherfucker pay for it. Also don't trigger the prey response. If you look like easy pickens because your afraid and timid that invites people to be aggressive, hold your head high and don't avoid eye contact.

26 This all day. Size isn't everything when it comes to holding your ground. A 140 lb dude can do some serious damage if he isn't afraid to let it out. Don't let them intimidate you. It's the attitude that means the most here, not how big you are or how much jiu-jitsu you know.

100% Things should be safe during the day. Stay in a group. Maintain distance between yourself and sketchy people (even big guys can be sucker punched). Don't be afraid of insulting someone by crossing the street to maintain space, just don't make it too obvious or it shows weakness.

Walk with confidence. I was a pretty small kid growing up and and bigger friends got attacked all the time, but no one fucked with me. Predators can smell fear, but they also fear confidence.

Not here. Nearly all that are here, are some of the most dedicated Patriots you will find, and you can count yourself among them.

Remain aware of your surroundings above all else. They will seek to single out stragglers. They don't want anything to do with the masses. Once they start getting their heads cracked, they will disperse like the cowards that we know they are.

Be aware that parking in certain parts of DC and some roads will be restricted/closed from during the 5th and 6th.

Find a group immediately. I commend you for going even though you feel small. You're huge in spirit, and not much matches that.

“ When you're a Pede You're a Pede all the way From your first meme To your last dyin' day

“ When you're a Pede If the spit hits the fan You got brothers around You're a family man!

“ You're never alone You're never disconnected! You're home with your own: When company's expected You're well protected!

“ Then you are set With a capital DT Which you'll never forget Till they cart you away When you're a Pede You stay a Pede!
